

Gunnedah Family Support Inc.

Strategic Plan Snapshot (2024-25)

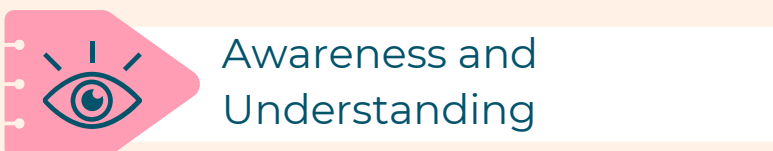

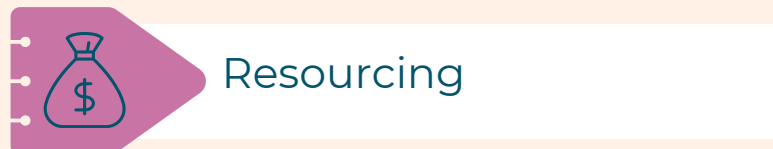

Our Purpose - to provide services to strengthen the wellbeing of all individuals and families in our community.

Our Vision - a resilient, empowered, connected and safe community where everyone can thrive.

Our Values - Confidentiality, Empathy, Respect, Professionalism, Inclusion and Diversity.

Working on the following key areas:

With the aim of achieving the following:

A community focused organisation demonstrating best practice services that deliver positive, measurable results.

A responsive, inclusive and safe culture that underpins a diverse, high performing and productive organisation.

Collaborative relationships with partners and stakeholders that strengthens the wellbeing of our community.

Diverse and sustainable funding to support a skilled team that delivers our services and achieves our purpose.

Widely recognised as a trusted and professional service embedded in our community.
